

# WE WANT TO SEE JESUS LIFTED HIGH

George : G - Capo 3 / B

G D Em  
We want to see Jesus lifted high  
C D G  
A banner that flies across this land  
D Em  
Then all men might see the truth and know  
C D G  
He is the way to heaven

Chorus:

G D Em  
We want to see, We want to see  
C D G  
We want to see Jesus lifted high

Bridge:

G D Em  
Step by step we're moving foward  
D Em  
Little by little taking ground  
D Em  
Every prayer, a powerful weapon  
C D  
Strongholds come tumblin' down  
and down and down and down
